Subject: Final 14th Amendment - signed - 88-16 for USGS Monitoring - Anaconda Smelter Site

Bill,

Attached is a copy of the final and signed 14th Amendment to Administrative Order on Consent 88-16 regarding USGS monitoring. The original was filed with the EPA Region 8 Docket Clerk today, and that filing memorandum is also attached. A copy has also been placed in the Anaconda Smelter Superfund Site site file.

For you and for the ccs, this is your copy unless someone wants a paper copy mailed to them.

Thank you again,

Henry Elsen, Attorney
